GENERAL INFORMATION

YM Construction PVT LTD is a general contracting firm specializing in industrial projects and maintenance. We are a full service company dedicated to high quality construction and client satisfaction. Our goal is to provide our clients with a high quality finished product and a positive remodeling experience.

For us, the ultimate compliment is for our clients to call us to work with them whenever they have a remodeling project. Over the years we have had the pleasure of working with many of our clients on multiple plant improvement projects and we're proud that they are our best advertising and our primary source of job referrals.

Our project portfolio includes Civil - Mechanical - Electrical and instrumentation works in large and small scale all over KSA. Every YMC person has a personal stake in producing quality work and providing exceptional service. Our pride in craftsmanship and our commitment to our clients are the foundation of our reputation as a premium construction company.

ABOUT US

- Continuously upgrading the Quality Management System

The framework for setting quality objectives is defined in the QMS Manual. Quality Manager is responsible for communicating the Quality Policy to all persons working for or on behalf of the organization and making it available to the public.

CHAIRMAN'S MESSAGE

The vision of the founders of YM Construction COMPANY LTD was to create a tremendous corporate body which contributes to implementing the development projects in the Kingdom of Saudi Arabia and Middle East to gain confidence of all parties who work with us, and whom we work for, to implement our technically proficient personnel in our projects with the highest workmanship, professional standards and business ethics.

Accordingly, our main mission was, and will remain, to maintain quality of our work to ensure our customer's satisfaction and confidence and to enhance shareholder's rights, based on the well reputation of Combined Group Contracting Company.

My 34 years of experience in Civil construction, mechanical, electrical and industrial activities at different projects in KSA will be my key value to the company.

In conclusion, I extend my thanks to the governmental and the private sector owners of present and future projects, subcontractors, vendors, our partners, shareholders and members of the the family of YM Construction Company.

Sincerely,

Yousaf Mulattu
Chairman
